

Little Pink Central Coast, CA Retreat 2021 • October 17-24

Little Pink Houses of Hope is a 501(c)3 non-profit organization that provides **FREE** week long vacations for breast cancer families. We believe a cancer diagnosis does not just affect the patient, but the entire family. Every retreat is designed to help families relax and reconnect during the cancer journey.

The Community Makes This Retreat Possible!

During each retreat, **8-11 Families** attend and stay in their own accommodations in Pismo/Avila Beach. If you know of someone with a **HOUSE** that is **willing to donate** for the week of our retreat, please contact us! We would not be able to do our retreats without the support of the homeowner donors.

Because of the donations of **TIME, TALENT** and the **TREASURE** of your local community, Little Pink is honored to come to your community this year. Look below to see the many ways to get involved and support our breast cancer families during this retreat.
