Relationships with Corporate Partners is KEY

Our main goal is to develop a RELATIONSHIP with our corporate partners that is mutually beneficial. Yes, we want to help you promote your business, but we also want to help share your story of why you chose to support breast cancer families through a Little Pink partnership. We believe that **your story matters**.

For 2022, we have created a calendar of events that is diverse, reaching lots of untapped audiences, while planning for a possible year of Covid adjustment. It is a year of raising money while playing together!

Work directly with Little Pink Founder, Jeanine Patten-Coble, to tailor your sponsorship to meet your needs. Jeanine@littlepink.org or 336-213-4733.
