

## Family Retreat ~ November 2-9, 2024

Little Pink Houses of Hope is a 501(c)(3) non-profit organization that provides FREE weeklong vacations for breast cancer families. We believe a cancer diagnosis does not just affect the patient, but the entire family. Every retreat is designed to help families relax and reconnect during the cancer journey.

### The Community Makes This Retreat Possible!

During each retreat, 8-11 Families attend, each with their own accommodations. If you know of someone with a HOUSE or CONDO who is willing to donate for the week of the retreat, please contact us! We would not be able to do our retreats without the support of the homeowner donors.

Because of donations of TIME, TALENT and TREASURE from your local community, Little Pink is honored to return to your community this year. Look below to see the many ways to get involved and support our breast cancer families during this retreat.
