LittlePink
Houses of HOPE

Introduction

For 16 years, Little Pink Houses of Hope has walked beside families facing one of the hardest chapters of their lives—breast cancer. Our retreats offer more than just a week away; they provide a sanctuary of connection, healing, and renewed hope.

With over 2,000 breast cancer families served nationwide, each retreat is made possible through generous partners who open doors, hearts, and homes. Families come to take a chance on a retreat full of strangers - to HOPE - for a break from treatment and an opportunity to reconnect with each other. What they find is so much more. Little Pink showers their families with love and support. The retreat week experience provides the gift of a supportive new community who understand their struggles, support them for years to come, and ensure that above all else, they know that they are not alone because **HOPE IS CONTAGIOUS.**

Together, we don't just provide a vacation we create moments of laughter, courage, and lasting strength. We invite you to join us in spreading HOPE—partnering with us to make a tangible difference for families who need it most.

Partners in Hope

OUR GOAL

To build authentic, mutually beneficial partnerships that create lasting impact. Together, we can bring healing experiences to families while helping your company share its story, strengthen its brand, and engage employees in meaningful service.

OUR APPROACH

Every partnership is personal. We'll work with you to design a sponsorship plan that aligns with your goals and values offering opportunities for co-branding, visibility, and hands-on engagement that make your company an essential part of our mission.

OUR GROWTH

Our scalable retreat model allows us to expand our reach each year, including five annual retreats in North Carolina, so we can serve more families and multiply our impact nationwide.

The Benefits of Giving HOPE

Little Pink Houses of Hope wants to work with you to develop a meaningful and personalized corporate giving plan that meets your goals.

Visibility

Opportunities for promotion on our website, through our strong social media following, and direct communications with our nationwide community. Recognition on print and digital event materials.

Engagement

Each level of sponsorship includes opportunities for engagement with Little Pink and our retreat families. Hope Partner and Pink Partner levels also offer personalized employee engagement opportunity for your organization through our Boxes of Hope program.

Impact

Your sponsorship has a direct impact on families facing breast cancer. From sponsoring a single family to multiple retreats, there is a place for your organization to make a meaningful difference in the lives of families.

2 Golf Tournament Registrations

2 Registrations for 5k

Opportunity for other local events

Boxes of HOPE

**A meaningful,
hands-on employee
engagement activity.**

Boxes of Hope are more than just care packages - they're tangible reminders that families facing breast cancer are not alone. Each box is filled with love, encouragement, and thoughtful items that bring comfort and connection, even when a family can't be at a retreat in person. Every item inside says,

**"You are seen. You are loved.
You are not forgotten."**
