Little Pink Houses of HOPE

Thank you for Making Hope Contagious!

New Friends

"It took the stress of cancer and doctors appointments away for a week. Once I am physically able, I plan to also volunteer my time and hope to give another survivor the same love that I received."

Connection

"Every little detail was thought about and we felt welcomed and loved from the moment we arrived. It gave us a time for relaxing, binding and making memories that will last a lifetime. We are forever grateful for this experience."
-Jill, Retreat Participant

Hope

"I was overwhelmed with the meals provided, the locals praying over us, the gifts, the laughter, the love and the support of the people all around us. I loved getting to know everyone and feeling instantly like we all belong" - Sherry, Retreat Participant
